INSPIRING PEOPLE TO EMBRACE HOPE AND LIFE LIFE OUT LOUD

Rosalinda Rivera's greatest passion is inspiring people to hope again through God's grace and forgiveness. With power and passion she connects to hearts of people everywhere. Whether witnessing on the streets or in a conference she reflects the grace and wisdom harvested throughout her 25 plus years of ministry. She has traveled to over 14 countries sharing the gospel around the world. Literally hundreds have accepted Jesus Christ as their Lord and Savior through her ministry.

A powerful messenger of hope, Rosalinda gave up her bed for hurting young men and women trapped by a life a drug and alcohol addiction as her family reached out to the hurting and lost. Her father an ex-gang member and enemy of the notorious Nick Cruz from the streets of New York, was radically saved through the ministry of David Wilkerson.

Today she is the President of New Life Enterprises and the Executive Director of New Life for Youth. Each year Rosalinda is a featured keynote presenter at various events nationwide. From the White House to the local community, she has been nationally recognized for her leading edge pioneering of social enterprises that sustains non-profits.

One of her most exciting projects has been working alongside Greg Wilkerson as the Associate Producer on the VICTOR movie. Rosalinda and Carlos Rivera celebrated 21 loving years of marriage. They enjoy traveling, reading, and making each other laugh, but most of all they enjoy being parents. All three of their children love the Lord and are actively involved in ministry, sports and music.
